GROUNDBREAKING
POTENTIAL

DEVENS IS A COMMUNITY PROPELLED BY INNOVATION, GROWTH, & EFFICIENCY

Home to 100 businesses of all sizes employing 10,000 workers with room for more, Devens has streamlined the development process. Answering unique building problems at the speed of today by inviting everyone to the table — financing specialists, engineering and utilities experts, a single permitting authority, and others for an efficient and successful venture.

We have reinvigorated 4,400 acres to become a place where cutting-edge businesses meet a community-focused lifestyle. Creating an environment designed to elevate and support business with connection, convenience, and proximity to Boston and Worcester. Making us a one-of-a-kind destination to build opportunity and growth for the next generation of world-class companies.

THRIVING HERE

The biopharma giant built a large-scale manufacturing plant in 2006 and expanded again in 2016 with a \$280M project. A new cell therapy manufacturing facility represents their latest significant expansion in Devens.

After purchasing 14 acres in Devens, Little Leaf received a \$4.5 million construction loan from MassDevelopment. This support proved critical for the budding company's successful growth.

SMC[®] Ltd.

The medical device contract manufacturer moved to Devens in 2016 and continues to grow – adding three new clean rooms over the past two years.

“With this expansion, we will be able to add more talented individuals to our workforce and enhance our capabilities, ensuring we continue to meet and exceed the needs of our customers.”
